NOTICE TO EXHIBITORS

This trial will be held under the current rules and regulations of ASCA®. Exhibitors, through submission of entry, acknowledge that they are knowledgeable of ASCA® rules and regulations, and agree to abide by all rules in effect at the time of this trial.

- **If your dog is an ASCA® registered Australian Shepherd, fill in your dog's registration number where indicated on the entry form. If your dog is not an ASCA® registered Australian Shepherd you will need to obtain an ASCA® tracking number for your dog IF you wish to have any qualifying scores applied towards titles. Once you have an ASCA® tracking number, use it as your dog's "ASCA® Registration Number" on all entry forms. Dogs may compete at the 24" jump height if desired but will be scored with the 20+ dogs.**
- **Current Jump Height Table, Breed Exemption List, description of classes, levels, and divisions are included in the current Exhibitors Handbook.**
- **A copy of the current Exhibitors Handbook may be downloaded free from the ASCA website: www.asca.org.**
- Bitches in heat, lame or blind dogs are ineligible for entry, as is any dog with a deformity which may cause a judge to not be able to reasonably assess the dog's ability to function and perform agility obstacles safely, and in a manner that is in the best interest, health and welfare of the dog.
- Any dog which demonstrates aggression towards any person or any dog, whether inside the ring or outside the ring must be excused from the agility trial. Any dog which the judge feels is not in enough control to perform all obstacles in a safe manner will be excused from the agility trial.
- This trial is open to any dog at least eighteen months of age, including purebred and non-purebred.
- Junior Handlers are encouraged and will receive a discount on all junior handler classes entered.
- No leads, collars, food, toys, or other aids or devices shall be permitted on the course or within 20 feet of the ring entrance. The only exception to this rule is leading your dog on leash to the start, then handing the leash to a ring steward.
- **All dogs must be on leash when not competing in the ring**, and must be contained unless being prepared to run.
- Safety shall always be of foremost consideration in actions and conduct by the handler at all times.
- The organizing committee may refuse any entry on the basis expressly provided through ASCA® rules and regulations or guidelines established by ASCA® Board of Directors. Anyone not currently in good standing with ASCA® will not be allowed entry into the trial.
- No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, acts of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee.
- There shall be no refunds for entries in the event a dog and/or handler are dismissed from competition, regardless of the reason for such dismissal.
- A withdrawal from the trial after closing date due to an injury and/or illness to the dog will be eligible for a refund up to 75% of the total entry fee paid. A veterinarian's notice of injury or illness will be required for a refund. Bitches which come in season after the closing date will be eligible for a refund up to 75% of the total entry fee paid.
- It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the organizing committee, be asked to leave the trial site. In such cases, no fees shall be refunded.
- There will be a \$20 service fee charge for any returned check. Checks not honored by the bank do not constitute a valid entry. **CHECKS WILL BE DEPOSITED PRIOR TO TRIAL DATE.**
- All crates and exercise pens are to be set up only in designated areas. Each exhibitor is responsible for cleaning up his own setup.
- All dogs must show in the height class they entered unless measured into a higher jump height class by the judge. Dogs that measure into a higher height class will run at the end of the running order for that height class or for exhibition only in the lower height class.
- All handlers for a given class should be present at ringside at least 30 minutes prior to the start of scheduled classes for walk through and briefing. Any dog and handler not present when called shall be ineligible to run.
- Any dog that fouls the ring more than once will be excused from the remainder of the competition for that day.
- Practicing on the equipment in the trial area is absolutely prohibited at all times, other than the use of the warm-up equipment as stipulated by ASCA® guidelines governing trials. Any exhibitor practicing on the equipment will be barred from future ASC of AZ events.
- No alcoholic beverages or illicit substances are permitted on the grounds at an ASC of AZ event. Violators will be prosecuted to the full extent of the law and barred from entry as a spectator or participant at future ASC of AZ events.
- Poor sportsmanship will **NOT** be tolerated. If anyone exhibits poor sportsmanship (i.e., yells at, curses at, harasses, etc.) any volunteer or competitor, he/she will forfeit their entries for the rest of the show weekend, and will be asked to immediately leave the show grounds and any incidents will be reported to ASCA.

The Management will not be responsible for the loss or damage to any dog exhibited, or for possessions of any exhibitor whether the result of accident or any other cause. It is distinctly understood that every dog at this event is in the care and custody and control of his owner or handler during the entire time dog is on the premises.

Frequently Asked Questions

Do I have to have a tracking number to compete?

No, you do not need a tracking number in order to compete in Agility or Stockdog trials, however any qualifying scores will not be recorded and applied to titles.

You will need a tracking number to enter an Obedience trial or Tracking Test.

Your dog does not have to be a purebred to receive a tracking number from ASCA®.

Why would I need or want a tracking number for my dog?

If you would like to have your dog's points and titles recorded by ASCA®, and if you'd like to receive title certificates in the mail for your accomplishments, you might want to obtain a tracking number.

How much is the total cost for a tracking number?

In order to obtain a tracking number for your dog, you must be at least a "Service" member. The cost for Service Membership is \$10.

- Your membership is good for one year; however, it does not need to be maintained in subsequent years, unless you want to obtain another tracking number for another dog after your membership has expired.

This membership fee is **in addition** to the tracking fee of \$10 per dog. A tracking number is good for the lifetime of the dog. If you only have one dog, the total cost would be \$20. For two dogs, the cost would be \$30, for three, the cost would be \$40, etc.
