MOST VERSATILE AUSSIE SILVER BUCKLE AWARD

Open to Australian Shepherds only. To be eligible for this award, the words "MOST VERSATILE AUSSIE" **must** be entered on the "Additional Class" line of the conformation, obedience, rally and working entry forms. A rosette will be given to all qualifiers for this award. A trophy and/or rosette will be offered to the winner of this award.

This award is based upon the dog's combined performance in all three areas of competition. To earn the Most Versatile Aussie Award, each entry must earn a score from the Conformation Evaluation and a qualifying score from a regular Stock Dog class, and a Performance Score. Ties for awarding the Most Versatile Aussie Award and placements will be broken using the highest Stock Dog score as calculated for MVA points. In case that a tie still exists, the dog with the highest conformation score as calculated for MVA points will win. If a tie still exists then both dogs will receive an award.

Conformation Evaluation – Must submit conformation entry form with MVA on it

1. Ninety points are available. The form and point schedule used will be provided to the evaluator.
2. This class will not be placed and no awards will be given. The score given by the evaluator will be used.
3. This class is open to spayed and neutered animals as well as intact animals.

Stock Dog – Please note on your StockDog entry form if you are competing in MVA

1. The one highest qualifying score from Started, Open, Advanced over the entire weekend will be used to compute MVA points.
2. Additional qualifying scores will earn 5 points each
3. Points will be computed as follows:
Advanced = Score +6% of score
Open = Score
Started = Score

Performance Score

The dog will receive one MVA score from one of the two performance categories offered, obedience and rally. The one qualifying score with the highest MVA point value will be used as the dog's base score. Any and all additional qualifying scores will be valued at 5 points each and added to the base score to get the dog's total performance score

OBEDIENCE - Please note on your Obedience entry form if you are competing in MVA

1. The highest qualifying score from a regular class will be used to compute MVA points.
2. Points will be computed using a 3% factor as follows:
Utility = Score plus 10 points
Open = Score
Novice = Score minus 10 points

Rally - Please note on your rally entry form if you are competing in MVA

1. The highest qualifying score from Advanced, Excellent or Masters class will be used to compute MVA points.
2. Points will be computed as follows:
Masters = Score minus 5
Excellent = Score minus 10
Advanced = Score minus 20

Qualifying scores received will count for Versatility only

See ASC of AZ website for Fliers and information for the Conformation shows, Rally trials & Obedience Trials.
